YOUR COMPANY

EN: Extension remover for the safe removal of extensions.

NL: Extension remover voor het veilig verwijderen van extensions.

Waarschuwing: Alleen voor uitwendig gebruik. Bij contact met de ogen, deze onmiddellijk en grondig uitspoelen. Buiten bereik van kinderen houden.

Warning: For external use only. In case of contact with eyes, rinse immediately and thoroughly. Keep out of reach of children.

Ingredients: Isopropanol , Ethylalcohol, Glycerine, Parfum

Distributed by: *your company* | *your adres*

USE: Spray the remover on a cotton pad. Massage it in gently with your fingertips, making sure there is enough product on. Keep adding the product until the tape or wax comes off easily without pulling on the hair.
